### *Residence Park Neighborhood & Civic Association recognizes UHGC*

**New Rochelle, NY - (January 29, 2007)** - United Hebrew Geriatric Center (UHGC) recently received the "Good Neighbor" award from the Residence Park Neighborhood and Civic Association of New Rochelle in recognition of its willingness to continually offer help in and support for the neighborhood. The award was presented at the Association's 2007 Annual Dinner Dance, which took place at the College of New Rochelle on January 20.

Joan E. Bristol, president of the Residence Park Neighborhood and Civic Association and event co-chair, presented the award to Rita Mabli, UHGC CEO, who accepted the award on behalf of UHGC.

"Your support has enabled us to give annual scholarships to our high school seniors and support our needy children with back-to-school supplies. Our projects would not be the wonderful success they have been without your generous support each year," Bristol said.

Mabli said that being part of the Residence Park neighborhood is a privilege. "We look forward to working with the Association to create a supportive neighborhood and livable community for all who live and work here."

New Rochelle Mayor Noam Bramson, who also attended the event, said that UHGC is a deserving recipient, because "it transforms countless lives."
